as they find to rest, they lie down and wait for  
when the rough carpenter, who became a  
social friend, lays behind. Reet by June  
tigers, by savages, by thirst and hunger,  
death in crowds of ghastly smiles, the "maver-  
ick," Father of all mankind, they named him  
for it—forget this child. The captain sat  
exhausted, and his faithful seaman goes to

The fire, it is said, originated on the floor of the main building, and the city fire department, which was on duty at the time, was called to the scene. The fire was quickly extinguished, and the building was repaired. The fire was caused by a short circuit in the wiring.

Colored Troops in New York. Col. B. Montgomery some time since applied War Department for permission to organize a regiment of colored cavalry in the State. In response to this application has just been received to the effect that "the Department do not intend to authorize the raising of colored troops at present." — N. Y. Post.
